INTERNSHIP

HonorTech Community

2023 – Present

- Creating a lively engaging community where the brand can interact with the consumers and foster a closer relationship.
- As a beta tester, I evaluated the performance and functionality of new devices before their official launch.
- Creating engaging content for HonorTech community platform.
- Facilitated communication and feedback between the company and its customers.

CHITKARA UNIVERSITY

2021 – Present

- As a campus reporter, I documented the major events at Chitkara University by taking videos and photos for the official social media Handle.

realme Community

2021 – 2023

- I created captivating original content to showcase the features and benefits of products by realme.
- I participated in the quality assurance process of Realme's products by testing their functionality, usability, and performance before they were released to the public.
- Guided new entrants and assessed their suitability to join the realme community.

Coke Studio Bharat

July 2023 – August 2023

- Led and guided 20 aspiring artists for the **Rising Star Contest** and assisted them in creating and sharing captivating content on Instagram to showcase their talent.

CLUB AND SOCIETY

National Service Scheme (NSS)

2023 – Present

- Head of Media Team.
- Conducted interviews and assessed the potential of new joiners.
- Captured and edited videos and photos of various events.
